

SECURING YOUR LOADS. SECURING YOUR BUSINESS.

WE ARE GREENBRIDGE, THE LEADER IN LOAD SECUREMENT.

**Founded in 1974 as Polychem, we
rebranded in April 2021 as Greenbridge.**

The change reflects our commitment to providing proactive load securement solutions to customers around the world seeking to achieve more sustainable, high-performing operations.

While our early reputation was based on our quality polyester, polypropylene, and cord strapping, years of growth and strategic acquisitions have made Greenbridge a leading protective packaging supplier, with integrated solutions that encompass equipment, systems, tools, strap, cord, cornerboard, accessories, and services that help ensure load integrity across the most challenging supply chains.

OUR COMMITMENT

Greenbridge is committed to a safe working environment for our team, the quality of our products and services, investing in innovation and improvement, fostering sustainable customer success, and advancing the circular economy.

BETTER FOR BUSINESS. BETTER FOR THE WORLD.

The Most Strap + Cord

Our portfolio of polyester + polypropylene strap + cord is huge! Our products run on our tools + equipment as well as on our competitors' tools + equipment.

Equipment + Systems

We have arch + pallet strapper machines + systems for every industry, any size operation, and any budget to maximize load integrity, efficiency + ease of operation.

Tools for Every Job

We have tools for strapping, welding + tensioning for plastic strap + cord. Check out the new EVOLUTION LT, an ergonomic, Bluetooth + app enabled strapping tool.

Service Is Everything

Tool or equipment not running as it should? Need a head rebuilt? Let us know. We'll fix the problem so you're up and running in no time. It's what we do. Gladly.

Training Your Team

What good is new equipment + tools if your people don't know how to use them? We offer online + onsite training to ensure safe, correct operation of your purchases.

GB+ Lets You Do You

Got your eye on new equipment or tools but don't want to tie up capital? Not a problem with our GB+ program that lets you lease our latest + greatest solutions.

Sustainability Audits

We're experts in recycling + reuse. We now partner with customers to identify ways to improve processes + redirect waste to achieve sustainability goals + cut costs.

Closing the Loop

Greenbridge products like strap, cord, and cornerboard are often made of recycled content and are recyclable. Let us collect your recyclables + avoid landfills.

Creating Community

We support rewarding careers for all team members with tuition reimbursement, training + mentoring, and our new Bilingual Talent Acquisition program.

It's easy to find someone to sell you something.

It's another thing to find someone eager to provide technical know-how and service after the sale.

Talk to Greenbridge.
