

# NEXT GENERATION FULLY AUTOMATIC, BATTERY POWERED FRICTION WELD STRAPPING TOOLS

## THE B600i + B1200i

Need a versatile strapping tool that can secure any assignment you throw at it? Greenbridge's B600i and B1200i fully automatic friction weld tools give you the strength and tension you need—pulling up to 1,200 pounds—with convenience of battery power. These powerful tools accommodate polypropylene and polyester plastic strapping. Simple strap guide changes and instructions are included to ensure proper strap tracking with this higher tensioning technology. The 18V lithium-ion battery delivers more power in a lighter package, making your tools easier to handle without sacrificing performance. Both tools can be fully re-charged at any time without memory loss.

### ***How much power do you need?***

The B1200i tool pulls up to 1200 lbs. of tension.  
The B600i tool pulls up to 600 lbs. of tension.

**GREENBRIDGE IS  
YOUR SINGLE SOURCE  
OF POLYPROPYLENE +  
POLYESTER STRAP**
