

THE EVOLUTION LT

FULLY AUTOMATIC, BATTERY POWERED SMART STRAPPING TOOL NOW WITH APP!

The world's first lever-free tool on the market, the patent-protected EVOLUTION LT is a fully automatic, battery-operated smart-technology enabled strapping tool that redefines tensioning and sealing performance. At the EVOLUTION LT's core is integrated Bluetooth smart technology that enables all setups to be done on a smart phone or tablet. This rugged, ergonomically designed tool is lighter, faster, and gets to the desired tension faster than previous generations. Because there's no lever, it's also safer and easier to operate.

You need this tool.

ABOUT GREENBRIDGE

Founded in 1974 as Polychem, we rebranded in April 2021 as Greenbridge to reflect our commitment to providing proactive solutions to customers across North America seeking to achieve more sustainable, high-performing operations. Our early reputation was based on our quality polyester, polypropylene and cord strapping. Today, years of growth and strategic acquisitions have made Greenbridge a leading end-of-line packaging supplier, with integrated solutions that encompass tools, equipment, systems, and services that help tame the most challenging supply chains.

Greenbridge is committed to the safety of our team, the quality of our products and services, investing in continuous improvement, advancing the circular economy, and fostering sustainable customer success.

It's easy to find a supplier to sell you a tool.

It's another to get a best in class tool + service after the sale.
